SYRUP OF FIGS FOR CROSS, SICK, FEVERISH CHILD

If Little Stomach Is Sour, Liver Torpid or Bowels Clogged.

Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again. Children simply will not take the time from play to empty their bowels, and they become tightly packed, liver gets sluggish and stomach disordered.

When cross, feverish, restless, see if tongue is coated, then give this delicious "fruit laxative." Children love it, and it cannot cause injury. No difference what all your little one—full of cold, or a sore throat, diarrhoea, stomach-ache, bad breath, remember, a gentle "inside cleansing" should always be the first treatment given. Full directions for babies, children of all ages and grown-ups, are printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a bottle of "California Syrup of Figs," then look carefully and see that it is made by the "California Fig Syrup Company." We make no smaller size. Hand back with contempt any other fig syrup.—Adv.

PIMPLES ON FACE CUTICURA HEALS

Formed Blackheads. Sealed Over. Burned and Itched

"I had pimples on my face and they afterwards took the form of blackheads. They were hard, large and red, and they itched over. They were in blotches and burned when I perspired, and they also itched. They caused disfigurement."

"This trouble lasted about one year before I used Cuticura Soap and Ointment. In three weeks I got relief, and three cakes of Cuticura Soap and two boxes of Cuticura Ointment healed me." (Signed) Jos. Jurvich, 14 Beatty St., New Britain, Conn., Aug. 14, 1918.

NO TONIC LIKE HOOD'S

Sarsaparilla for a Time Like This, After Influenza, the Grip.

When purified blood, rebuilt strength and regulated bowels are essential. In the after-effects of influenza, the grip and other prostrating diseases, Hood's Sarsaparilla has remarkable health-helping effect.

It expels the poisons that have weakened and depleted the blood, causing pallor, anemia, flabby flesh and lax muscles. It is the standard blood remedy with a successful record of nearly fifty years.

Many people—it is really astonishing how many—need a first gentle, easy cathartic in these trying times. We recommend Hood's Pills, used in the best families, and equally effective with delicate women or robust men. Easy to take, easy to operate.—Adv.

LINER OLYMPIC PERFORMED WELL

Dodged Submarines in the Mediterranean, Tried to Save Sinking Warships in the North Sea and Fought Off Vicious U-Boat Attacks While Carrying Soldiers.

London, Jan. 4 (correspondence of the Associated Press).—Dodging German submarines in the Mediterranean, trying to save sinking warships in the North Atlantic, and fighting off vicious U-boat attacks while carrying American troops are some of the achievements credited to the White Star liner Olympic during her adventurous career of the war time.

These were only incidents of her experiences, because, on account of her great passenger capacity, she was steadily and faithfully keeping to the task of transporting men and material for the armies in Europe. First it was Chinese coolies for road building, then farmer boys from Canada to replace the losses of Vimy Ridge, and finally many thousands of Americans to face the Germans on the western front.

"Her work during the Gallipoli campaign," writes a member of the crew to the Daily News, "when she carried about 8,000 troops—at that time the greatest number ever carried by any ship—dodged upon her gallant attempt of the north of Ireland to tow the water-logged dreadnought, Audacious, was sufficient to put her in the first rank of transports, but her subsequent work in bringing Canadian troops and Chinese labor battalions, and then her wonderful career since Christmas, 1917, when she arrived in New York for her first load of American troops must put her in a class by herself as a 'trooper'."

"She has carried well over 300,000 people while on war service."

"It would not be correct to say that Captain Hayes has brought her through without a scratch, but her scars are marks of honor. She bent and fractured some of her plates when, in the darkness early one morning she 'strafed' one of Germany's finest U-boats."

"The Olympic had most of her adventures while she was carrying American troops. During March, April and May, 1918, the German submarine commanders made at least seven daring attacks on her. Not once did the enemy have time to launch a torpedo, for in every case he was greeted by a six-inch shell or one of the destroyers was on his track with her depth charges. Perhaps some of Germany's missing submarines are now lying below the track of the Olympic."

"The most thrilling experience which the Olympic had took place in the darkness of early morning of May, 1918, near the entrance to the English channel. It was just about 4 o'clock when the look-out man picked out of the almost total darkness the outline of a lurking submarine which was lying on the surface. Immediately after his warning shout, one of our forward guns blazed out, and the ship, with her helm hard over, spun around like a great racing yacht and crashed into the enemy."

"The blow was, of course, not a clean one, or there would have been few survivors from the submarine. Judging the damage on the bows of the ship when dry docked a few days later the blow cut off one end of the submarine. The rest drifted past the stern of the Olympic, and one of the gun crews on the poop planted a six-inch shell squarely into it. One of the destroyers in the escort dropped behind and by the light of star shells picked up 31 survivors, three of whom died on the way to port. The total crew of the submarine was over 60."

"TANK CATS" ORGANIZED.

Members of Tank Corps Are Eligible to Membership.

Charlotte, N. C., Jan. 4.—The "Tank Cats," an organization of Chicago Tank Corps men, was formally launched at a meeting held recently at Camp Greene near this city. The movement to organize members of the Tank Corps into a permanent body is expected to spread over the whole country, as almost every large city is represented in its personnel. Qualification for membership is based on service in the Tank Corps during the war.

The purpose of the organization is to promote and maintain public interest in the Tank Corps as an arm of the service and to form a bond between its members by means of social and fraternal activities.

Similar meetings have been called of men representing the cities of New York, Philadelphia, Boston, San Francisco and others. When all these separate chapters have been perfected, it is planned to call a general meeting of delegates from each for the purpose of forming a national organization.

COLUMBIA MAY HAVE CREW

And Enter the Proposed Henley Regatta Next Spring.

New York, Jan. 4.—Columbia university will be represented at the meeting of the American College Rowing association to be held in Philadelphia next week to discuss the proposal to have a Henley regatta for college crews this spring. It was announced to-day. If the plans mature, it is virtually certain that the blue and white will enter a boat. Columbia also probably will enter a crew for the Childs cup race with Princeton and Pennsylvania.

TO RESUME TENNIS TOURNEY.

National Lawn Tennis Association Expected to Make Such a Decision.

New York, Jan. 4.—The annual meeting of the National Lawn Tennis association will be held in this city on Feb. 7. The award of national championships will be voted and resumption of the Davis cup contest in 1920 will be recommended by the executive committee.

BREAKING UP GREAT ARMADA

American Warships at New York Will Soon Be Dispersed

THREE ALREADY IN FOR REPAIR WORK

And the Other 17 Will Soon Proceed to Their Home Yards

New York, Jan. 4.—The great American armada, which has lain at anchor in the Hudson here since the arrival of the overseas fleet on Dec. 26, will be entirely dispersed within a few days, naval officials announced to-day. The dreadnoughts Florida, Wyoming and New York left their berths yesterday and proceeded to the New York navy yard for repairs. All the other seventeen battleships are under orders to proceed to their home yards for repairs, it is said.

WON THE D. S. C.

Capt. Charles S. Sumner of St. Albans Honored.

St. Albans, Jan. 4.—Captain Charles S. Sumner of Messenger street, this city, now in France, has been awarded the distinguished service cross "for acts of extraordinary heroism" in action. The medal is conferred by the commander-in-chief of the expeditionary force, Gen. Pershing, in the name of President Wilson. From information received by Mrs. Sumner here it also appears that the same acts that won Captain Sumner the American cross also won for him the croix de guerre, the famous French decoration.

The citation in Captain Sumner's case read as follows:

"Captain Charles S. Sumner, 372d Infantry—For extraordinary heroism in action at Busby farm, France, September 28-29, 1918. During the attack on Busby farm and Seebach, Captain Sumner courageously led his command under the most intense artillery fire and in the face of a fusillade of machine gun bullets. Although he was suffering from the effects of gas and had twice been knocked down by the explosion of shells, he remained on duty, and inspired by his example, his men overcame the strong enemy resistance. Home address, Mrs. C. S. Sumner, wife, 40 Messenger street, St. Albans, Vt."

So far as known here Captain Sumner is the first St. Albans officer to receive the American decoration for heroism in action. Sergt. Jack Kendrick of Fairfax, who was in the original machine gun company, received the cross and the French croix de guerre, and a great number of St. Albans men have been cited in orders—in fact more than half the Vermonters who have received distinguished honor come from this city—but no officer from here has yet been honored as has Captain Sumner.

Captain Sumner is an old National Guard officer and began his soldier's career several years ago in Co. B, 1st Vermont infantry. He worked up through the non-commissioned grades and was commissioned second lieutenant, going to Texas on Mexican border service with this rank. He was promoted on the border and became adjutant of the 3d battalion under Major Ashley of Burlington. He was still a first lieutenant when the regiment was called out in 1917 for service in the war against Germany, and went overseas with this rank. He was promoted to the rank of captain in the field. In civilian life he was employed on the Central Vermont railway, and he is 28 years old. Just before going overseas Captain Sumner underwent an operation at the St. Albans hospital.

Mrs. Sumner has received word from the captain that his outfit is under orders to proceed home, and at the time of his writing the letter preparations were being made to go to a port of embarkation. The captain wrote that the progress home would be delayed or prompted depending upon the availability of transports. Mrs. Sumner is rather expecting that he will reach America possibly by the last of this month.

Captain Sumner has three children, Charles, aged four, and Barbara and Bernard, aged 17 months.

WAS TORTURED FOR TEN YEARS

With Terrible Stomach Trouble Until She Tried "FRUIT-A-TIVES".

MRS. F. S. STOLZ

3507 Sacto Ave., Sacramento, Cal.

"I had Stomach Trouble for 10 years, which became so bad that I got Stomach Cramps two or three times a week."

After years of terrible torture, I read about 'Fruit-a-tives' or Fruit Liver Tablets, and sent for a trial box and wrote that it was the last remedy I would use—if 'Fruit-a-tives' did not help me, I would die.

After taking the trial box, I felt better, so kept on taking 'Fruit-a-tives' for nearly a year, and am thankful to say 'Fruit-a-tives' saved my life.

It also saved a friend from an operation for Stomach Trouble, after he had given up all hope of getting well."

GAVE HIS LIFE FOR HIS COUNTRY

Pvt. Walter C. Perry Was a Native of Plainfield.

The Plainfield, Mass. Eagle, of recent date tells of the death from wounds of Private Walter C. Perry, a native of Plainfield, and the son of Mr. and Mrs. Winsor S. Perry, now of Plainfield. The article is as follows:

"Through The Eagle Mr. and Mrs. Winsor S. Perry of 15 Reuter avenue last night learned that their son, Private Walter C. Perry had given his life for his country in France. The young man's death followed wounds suffered in battle in France."

Loss of department some weeks or more ago sent a telegram to Mrs. Carry Ellen Perry of this city, notifying her of the death of her son. The Western Union Telegraph company was unable to locate Mrs. Perry and notice to that effect was published in The Eagle yesterday. Within a short time after The Eagle had been published, information was received as to the residence of the young man's parents.

Private Walter C. Perry entered the service at Watfield, Vt., although he had been for two years a resident of this city. He was a member of Co. A, 39th Infantry, at the time of his death.
